

## Guess What I Have! (Flip the Flap Rhyme Books)

This fun book tests a toddlers rhyming and guessing skills, using clever flaps that change the details in each charming picture. Every two-page spread features a big, bright illustration of a friendly animal who asks kids a question. Each spread also has an added half-page flap that hides the answer while toddlers try to guess. And theres always a clue, which takes the form of a rhyme. For instance, an alligator who holds something behind his back asks: Guess what I am hiding! Then he provides a clue. (It rhymes with cat). When kids flip the flap, they discover the answer. The alligator is now wearing a hat! A different animal with a new puzzle to solve appears on every two-page spread.
