

Animals of the Otay River Watershed: South San Diego County (Pocket Naturalist Guide Series)

The Otay River watershed covers approximately 145 square miles in southwest San Diego county. It is home to a diverse wildlife population and provides recreational opportunities for residents and visitors. This beautifully illustrated, bilingual (English/Spanish) guide highlights over 140 familiar and unique species and includes a map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and resident alike. Created in collaboration with WILD COAST, and with the generous funding of the Hattie Ettinger Conservation Fund, part of the proceeds from the sale of this guide go to support the work of WILD COAST and its work in the Otay River Watershed in South San Diego County. Made in the USA.
