

## Annual Report of the State Botanist of the State of New York (2nd ed.) (From the 48th Report of the N.Y. State Museum of Natural History)

Pp. 241, 43 fine chromolithographic plates of mushrooms, 1 black-and-white plate. Publishers blind-stamped and gilt-decorated brown cloth with seal of the state of New York emblazoned on the front board, beveled edges, 1g 4to. This is the second edition of the report of 1894 with descriptions and color plates of the edible and poisonous fungi of New York state by state botanist, Charles Peck. Peck made many contributions to the study of mycology in the various annual reports between 1867-1908. This copy is inscribed by Jared Sandford, member of the New York Assembly in 1897 to The Westchester Womans Club on the front endpaper.
