

Baby Signs: My Park Signs

Unlike DVDs that are designed simply to entertain babies, Baby Signs[registered] DVDs actually teach babies to sign by using time-tested teaching strategies for optimal infant learning, including: lots of repetition; delightful babies, characters and puppets; engaging sounds and music; and, easy-to-follow pacing. My Park Signs features the signs for: ball, butterfly, flower, slide, swing and tree. The approximate running time is 23 minutes.
