

## Graphing the Weather (Rosen Common Core Readers)

Readers will delight in the high-interest educational topics addressed in this book, which is aligned to the 3rd grade Common Core State Standards for English/Language Arts. Age-appropriate language, vivid imagery, and a relatable narrative will grab students attention, keeping them engaged while also equipping them with the skills they need to become thoughtful readers. This book provides additional learning opportunities through a graphic organizer, glossary, and index. Rosen Common Core Readers can be paired with InfoMax Common Core Readers to provide another perspective to parallel topics. Readers explore the causes of various types of weather while learning to create simple bar graphs. CCSS English Language Arts Standards: RI.3.4., L.3.4b.
