

Animals in Their Habitats, Pack A (Acorn: Animals in Their Habitats)

Each book in this series focuses on a particular habitat and introduces early readers to the animals that can be found there. Habitats include the desert, the sea, rock pools, mountains, grasslands and the jungle. Engaging photos, very simple repeated text that follows a different pattern in each book, high frequency and decodeable words and strong photo-to-text matching make these books perfect for those who are learning to read.
