

You Can Too

You Can Too is a book that is promised to touch bases with the experiences of young people from all walks of life. Whether one finds themselves feeling like they are not worthy of what God has promised or are striving to win everyday battles in their mind, this book will connect with and speak to those experiences. Young people often find themselves searching for who they are and what makes them happy while dealing with the conflicting labels others have put on them. The book challenges the reader to stop allowing life to live for them but instead, LIVE LIFE! For the person declaring Im ready to go to the next level, this book is a precise tool in hand and will change you life forever. God bless you.
