

A Dragon Called Wilbur : How a Fire-Breathing Dragon Made Friends

Synopsis: Long ago in a land far away, in an age when people believed in magic, there lived A Dragon Called Wilbur. Now Wilbur was a very lonely dragon, because everyone was afraid of him. What could Wilbur possibly do to make friends? This lonely dragon believes that if he can alter his behaviour and convince his neighbours that he is not dangerous, he can become a valued part of the village. By doing this, Wilbur can make a big difference in his community. Hopefully, he will also make friends and will no longer be lonely. Can Wilbur convince everyone that dragons are not so scary after all? This uplifting childrens book sends a positive message about outsiders wanting to belong.
