

Everybody Makes Mistakes

As he sits in time-out in his room, Jack compares his little mistake to the bigger ones other people have made, like the time Mom made him wear his sisters bunny mittens to school, or when the waitress mistook Jack for a girl, or when the teacher accidentally sat on Jack's snack. Kids will chuckle over all of these adult mistakes and the way they build up to the one that got Jack in trouble. Everything turns out okay in the end, because nobody's perfect and that makes life entertaining just like this book!
