

What If I am? The Four Stages in Life... For Teens!!

It is my belief that every child and teenager has within them the potential to become something great in their own way. Even though, many would say that the younger generation is a lost generation. I decided to take a stand to beg the differ! In all actuality, the younger generations represent generations of warriors In my latest book for teens, What If I Am? The Four Stages In Life For Teens I traveled into the most intimate and delicate arenas of each teen life I interviewed. Each teen in the book has experienced their share of unfortunate circumstances. But somehow through pure resilience and utter faith in a brighter future they pulled themselves out, one step at a time from the pit of impossibility into a blossoming new world of endless possibilities.
