

These are two of Andersen's best loved fairy tales for kids, which are brought up to date and refreshed for a whole new audience. Both of these stories are at once sweet and uplifting. Generations of children and adults alike have been charmed by these classic fairy tales. Each is unique in its own right, and yet they complement each other perfectly. As bedtime short stories, both have undeniable charm and power. While The Princess and the Pea is above all fun and jolly, The Little Match Girl is sad but ultimately joyful. For any child, these Christian tales illustrate that however mysterious or even sad life may seem, every cloud has a silver lining!
