

Nature Made (Science Readers)

Learn about all the things we use from nature! We use trees for wood, the sun for energy, sand for bricks, metal for tools, and more. We even eat the plants that nature gives us! With vibrant images and easy-to-read text, this science reader will keep students engaged from cover to cover! This reader also includes instructions for an engaging science activity and practice problems to further understanding. A helpful glossary and index are also included for additional support.
