

## Olies Bedtime Walk

Olie can't fall asleep and decides to go out exploring, but while he is wide awake, everyone else is tired and wants to go home to bed. The mailman, the bus driver, and other night workers are all so tired that they can't stop yawning. Before long, Olie can't wait to get back home and into his bed. A true bedtime story, *Olie's Bedtime Walk* is designed to have the same effect on readers as it did on Olie - to make them fall asleep. Selected by the BBC *The World* as one of the top foreign children's books of 2002.
