

The University of Notre Dame held a symposium on value distribution in several complex variables in 1990. Its purpose was to reflect the growth of this field from its beginning nearly 60 years ago as well as its connections to related areas. These proceedings present the lectures.

World War I (Witness to History), W.I.T.C.H. Graphic Novel: An Unexpected Return - #8 (vol. 8), What Is a River? (World Around Us), The White House (Symbols of America), Thirteen Offerings: Anthology of Ithiria (Stories of Ithiria Book 0), Climate Change in the Tropics, Brain Power (Bodyscope), Mini Es La Mejor!/ Mimi Is the Best (El Barco De Vapor) (Spanish Edition), an act for reviving, amending, and further continuing several laws relating to the more effectual encouragement of the british fisheries, until the fifth day of april one thousand eight hundred and Six.,
