

Report of the FAO Working Group on the Assessment of Small Pelagic Fish off Northwest Africa: Saly, Senegal, 6-15 May 2008 (FAO Fisheries and Aquaculture Reports)

The Group assessed the status of the small pelagic resources in Northwest Africa and made projections on the development of the status of the stocks and on future effort and catch levels. The advices for the stocks are given in relation to the agreed reference points and on basis of the projections for the next five years. Le Groupe a examine letat actuel des ressources de petits pelagiques en Afrique nord-occidentale et fait des projections sur le developpement, leffort futur et les niveaux de capture. Des conseils concernant letat des stocks sont donnes par rapport aux points de reference approuves.
