

Bris Big Crush (The Babysitter Chronicles)

Brianna Edwards has a big crush on the new boy, David Massey. So when Mrs. Massey asks her to babysit David's younger siblings, Bri sees it as her opportunity to connect with David. In order to get her crush's attention, Bri pretends that she shares his interests. Now she's so busy being someone she's not that she's forgetting to do all the special things that make her a great babysitter. When will Bri figure out that being herself is the best way to get the boy AND the babysitting job? A high-interest topic, fast-paced plot, and core curriculum back matter features make this title from The Babysitters Chronicles a great addition for libraries.
