

The Most Perfect Spot

Experience a picnic in the park with Mama and Jack, where nothing seems to go right, but fun is had by all and a little dog joins the family. With And then, who knows why... as the cheerful refrain, Diane Goode tells how a boys plan to give his mother a perfect picnic in the park goes hilariously awry. Kids will spot the little dog whos the cause of the mischief on every spread, making the refrain even more fun! Without preaching, this visual adventure shows that you can be happy even when things dont go just right. And the large, animated scenes picture all the fun with an expressive, lively line and inviting color
