

The Big Book Of Rhyming Monsters Short Poems For Kids, Childrens Books, Scary Books For Kids, Kid Books: 10 Of The Freakishly Ghoulish Monsters That Ever Lived... And They Rhyme!

My name is MD Solo, and I study Monsters of all types! From Werewolves to Giant Mice, and an ancient Vampire who reads with no lights! Imagine the sight of monsters knocking at your door. The chilling freeze as you're scared to the core... That's why I wrote this book, so you can find out more. Without risking your life and without the chore.
